

Heroes & Cultural Identity Project

Project meeting: Rome, April 2009

Presentations

Wednesday 15 April

Presentation: *This year's work on the project*
Presented by: One or more teachers from your school
Purpose: To outline the work that your students have carried out on the project during the past academic year.
Notes: *Each presentation should be no more than 5 minutes in length.*

Presentation: Two presentations on *Heroes OR Cultural Identity*
Presented by: Two or more students from your school
Purpose: To present the project work that two of your students have carried out during the past year
Notes: *Each presentation should be no more than 5 minutes in length.*

Thursday 16 April

Presentation: *Pedagogical aspects of the project*
Presented by: One or more teachers from your school
Purpose: To present some of the ways you used the project to enhance the education of your students
Notes: Include the following, if possible:

- How did you integrate the project into your school curriculum?
- In what ways did it extend the school curriculum?
- What were the main challenges of the project for you and your colleagues (e.g. time, staff, technology. etc)?
- What were the benefits of the project to your students, to you as a teacher, and to your school?

Please turn over

Friday 17 April

Presentation: *Evaluating and Disseminating the project*

Presented by: One or more teachers from your school

Purpose: To present the results of the evaluation received from students, teachers, administrators and external agencies. To present the ways in which you have disseminated the project to a wider audience.

Notes: Include the following, if possible:

- What did you learn from the evaluation conducted within your school?
- Have you received any evaluation of the project from external agencies, for example, following involvement in local or national events, and if so what were the outcomes?
- How have you disseminated the project within your school and to external (e.g. national) agencies?
